- Predatory Pricing
- Competition Manipulation
- Alleged use of legal loopholes to pay less taxes

Under investigation for unfair market policies

However, a 2016 [analysis](#) by *The New York Times* and S&P Global

- **Price fixing**: According to a 2016 report by S&P Global Market Intelligence, Amazon paid taxes at an average rate of 13%, nearly half of the 26.9% average for the S&P 500 companies.
- **Corporation tax avoidance**: Amazon has been accused of using various legal loopholes to minimize its tax liability.
- **Alleged use of legal loopholes to pay less taxes**

Oil

A word cloud composed of numerous product categories, each represented by a different color. The words are arranged in a cluster around the central word 'Oil'. The categories include: Pet, Video, Home, Books, Watches, Health, Musical, Automotive, Shoes, Sunglasses, Office, Electronics, Garden, Toys, Accessories, Personal, Handbags, Outdoors, Beauty, Clothing, Powersports, Entertainment, Gift, Industrial, Sports, Beauty, Videogames, Jewelry, Tools, Software, Kindle, Sports, Luggage, Photo, Baby, and Fine.

Donald J. Trump

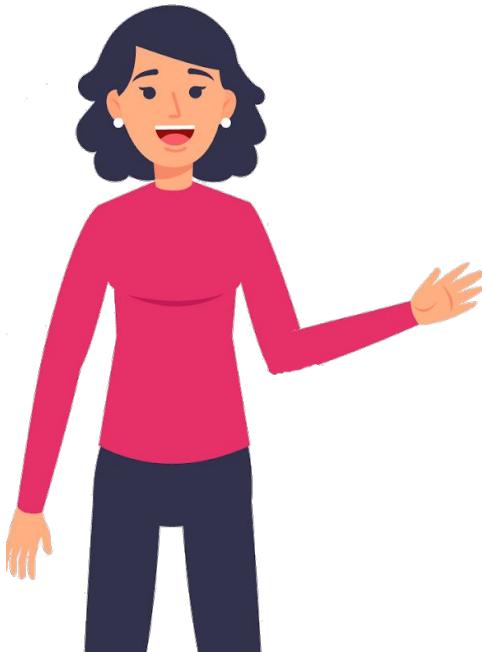

@realDonaldTrump

Segui

I have stated my concerns with Amazon long before the Election. Unlike others, they pay little or no taxes to state & local governments, use our Postal System as their Delivery Boy (causing tremendous loss to the U.S.), and are putting many thousands of retailers out of business!

Exploited Amazon workers need a union. When will they get one?

Michael Sainato

Amazon has suppressed all efforts to unionise since its founding, but with widespread employee abuse, only unions can hold the company accountable
